

Forestry and Wildlife Habitat Field Day

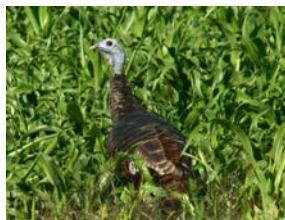

Saturday, October 29, 2016
9:00 AM to 3:00 PM
West Lafayette, Indiana

A field day for the landowners and the general public will be held Saturday, October 29, 2016 at Martell Forest and the Purdue University Wildlife Area. The program will begin at John S. Wright Center at Martell Forest located just off State Highway 26, 8.5 miles west from the Purdue University, West Lafayette campus. The Martell Forest contains a total of 424 acres with 370 acres of forest. The Purdue Wildlife Area contains a total of 159 acres with about 8 acres of forest. The site contains the only large wetland in the Indian Pine Natural Resource Field Station. Both properties are operated as research and teaching properties by Purdue University, Department of Forestry and Natural Resources.

Field tours will highlight several different on-going activities at the Martell Forest and PWA. Bus transportation to and from PWA will be provided. Event will be held rain or shine, please dress for the field.
